HELP BEAT THE BERLIN "BULLIES"

DON'T wait for the last ball of the death inning to support the U.S.A. — because to be America's ally you'll have to make a choice — a choice of good sportsmanship or life play.

Americans are pretty independent people. There's something sacred about the right to call a player a "bum" or to dish a couple "blows". We've got to protect those rights — or one day we'll show up to find some of the European Gunglers sitting behind us saying that we can't call the Empire a "bum" or that we can't dish them any blows.

Now's the time for a little national unity, boys. The World War's in a hot spot — because we are free men. The Nazis — Hitler, Goebbels and the rest — they all like the ball game. They're devoted people like you and me.

But can you imagine Adolf "The Fink" in backstop by enjoying a game?

No — and that's just a big difference. You know like to have fun. But Hitler and his bunch — they want to destroy our world.

We can't take chances. Let's get in there pitching! Now to the show!
