

ACTIVITY FIVE: Supplemental Resources

NAME _____

DATE: _____

SECTION _____

Mr. McGravey

Directions:

Please read the following primary and secondary resources about the events that were taking place during the height of the Ayer Mills Clock.

1. TEXTBOOK SECTION on the Industrial Revolution (secondary resource)
2. <http://library.uml.edu/clh/all/cbtw.htm>
3. <http://www.essexlincs.org/pdfs/working08/transcript.annletter.pdf>

Both of these resources will allow you to more fully understand what was going on at the height of the Industrial Revolution and the connection to this historical landmark. In addition, you should now have a more clearer picture of why the Ayer Mills Clock is considered such an important landmark for the city of Lawrence and overall, the Merrimack Valley.

Directions:

Please make a bulleted list of the various main ideas that you have made throughout reading these three resources.
