Abstract:

Women's Way of Philadelphia was founded in 1977 by combining seven women's advocacy agencies. As taken from the organization's website, Women's Way is a "non-profit organization that raises money and public awareness to fight for and achieve women's equality, safety, self-sufficiency and reproductive freedom through women-centered funding, advocacy and education." It serves the region of southeastern Pennsylvania and southern New Jersey.

The collection dates from 1974 to 1996, though the bulk of the material is from 1977 to 1988. The records include articles of incorporation, board and annual meeting materials, annual reports, financial records, administrative files, and records of fundraising efforts (campaigns, dinners, concerts, and other events) and grant-giving (applicants, grantees).
