

Project Rubric

Rubric	Advanced	Proficient	Basic	Minimal
End Product	All requirements have been met and exceeded.	All requirements have been met.	One requirement was not completely met.	More than one requirement was not completely met.
Group Work	Group members work well together and all members contribute equally to the project.	Group members sometimes argue. Some members do most of the work, and work outside of the group.	Group members often disagree. One member does most of the work. Some members are seldom working with the group.	No attempt at group work is made. One member does everything.
