

Albert M. Greenfield Fellowship

Each year the Historical Society of Pennsylvania awards one Albert M. Greenfield Fellowship for research in 20th-century history. The fellowship supports one month of residency in Philadelphia for advanced, postdoctoral, and dissertation research. The stipend is \$2,000. The Library Company's Cassatt House fellows' residence ^[1] offers rooms at reasonable rates, along with a kitchen, common room, and offices with internet access, available to resident and nonresident fellows at all hours.

The Albert M. Greenfield Fellowship program began in the 2011–2012 academic year and is endowed by the Albert M. Greenfield Foundation.
