

Our Supporters

HSP - Philadelphia's library of American history - works hard to make history relevant and accessible for 21st century audiences. Our work would not be possible without the generous support of our donors and institutional funders.

List as of October 31, 2017. For more information, please contact development operations manager, Michael Ticzon at mticzon@hsp.org or 215-982-2414.
