

Give History for the Holidays

Looking for a unique and personal gift this holiday season? Archival prints of materials from the Historical Society of Pennsylvania's collections are the perfect gift for the history lover on your holiday shopping list. Whether you are interested in views of old Philadelphia, stunning photographs, colorful watercolors, or historic maps, HSP's [Digital Library](#) [1] has a wide range of unique items to choose from. There are more than 60,000 images available to browse online and the image database increases every day as HSP staff scan and post additional historical documents, graphics, and photographs from our collections.

Archival prints are produced in-house at the Historical Society's Digital Lab on a high-quality Epson color printer and are available in various sizes, ranging from 8x10 inches to 24x36 inches. Custom sizes are also available. Prints are produced on either matte, glossy, or fine art paper, creating a virtual facsimile of HSP's historic maps, photographs, or watercolors. For more information on sizes, pricing, and how to purchase a print check out our [FAQ](#) [2].
