

Corporate Giving

[1]The Historical Society of Pennsylvania

makes history relevant and exhilarating to all by creating access and delivering content for 21st century audiences. HSP is an actively collecting repository whose collections tell the stories of Philadelphians and Americans—our shared history.

Corporate gifts support a broad range of initiatives at HSP from collection sponsorship, to educational programming for adults and children, digital archives, and the preservation of HSP's treasures. In return, companies receive exclusive library and collections access, event space for employees and clients, community partners, engagement opportunities, and brand recognition.

Corporate Partners

Photograph shows a storefront with a large sign reading Central

[2]

HSP's Corporate Partners Program enables the organization to continue and expand strategic initiatives in the fields of History Education, Historic Preservation and Conservation, and

Public Programming. Corporate Partners also provides employees the opportunity to access the largest genealogy network through HSP, one of the Nation's leading libraries of American history, and 21 million and counting records.

All Corporate Partners receive the following benefits and opportunities:

- Digital Wall Recognition: Company logo and message displayed on a 20'x20' digital screen seen by over ten thousand HSP guests annually
- Unlimited library access for employees
- Parking passes
- Recognition in HSP materials online and in print
- Digital and print subscription to "Pennsylvania Legacies (PA Legacies)", HSP's history magazine, and "Pennsylvania Magazine of History and Biography" (PMHB)HSP's scholarly journal

development@hsp.org for a custom sponsorship opportunity.

EITC

HSP is an approved Educational Improvement Organization through the Pennsylvania Educational Improvement Tax Credit Program (EITC), which allows participating corporations to make designated contributions that are eligible for tax credit.

A contribution to HSP through EITC can receive up to 90% of the gift total as a tax credit: your \$15,000 gift could result in a credit as high as \$13,500. The contribution may also be deducted for federal tax purposes.

Contributions received through EITC provide valuable support to HSP's in-demand education programs. Your contribution would support HEAD for the Future ^[4], our K-12 education program, which is built on the belief that teaching with primary source archival material creates an effective, tangible, and connective experience
