

The Historical Society of Pennsylvania has many resources to help teachers use the collection. Search our Unit Plans and Primary Sources to find a useful resource for the classroom. Explore by topic or subject through our searchable collection of guides. Use our online [Digital History Projects](#) ^[1], with images and transcriptions from the collection, and additional resources on specific topics. Don't forget about the [Discover](#) ^[2] online catalog for searching our collections database, and the [Digital Library](#) ^[3], to view digitized items.
