

The History in Pennsylvania “HIP” Awards were sponsored by History Affiliates, a program

created by the Historical Society of Pennsylvania and funded by The Barra Foundation. They

were given in 2012 and 2013 to recognize excellence and innovation in the history and

heritage community in Southeastern Pennsylvania. Awards were given for encouraging and

fostering community interest and awareness in history in the following categories:

- Educational and Public Programs
- Stewardship, Care, or Interpretation of Historic Structures, Museum, and Archival Collections
- Partnership Projects
- Volunteer of the Year

The awards honored volunteer-run, small, and mid-sized history and heritage organizations in

Bucks, Chester, Delaware, Montgomery and Philadelphia counties. Awards were presented in

three organizational categories based on institutional size (all-volunteer, small, and mid-sized).

Award winners for 2103 are listed below.

By Organization Name

Apply
