

Journal C of Station No. 2, William Still, 1852-1857

William Still's "Journal C of Station No. 2 of the Underground Railroad" provides extensive detail of the ways in which Philadelphia's Vigilance Committee offered aid to escaped slaves during their travels northward. His narrative offers rich documentation of families and individuals during their escape and illuminates the intricate network of people—including slaves, former slaves and free blacks—who made the Underground Railroad a success.
