

**ACTIVITY 3: Ayer Mills Clock through the Years:(all primary resources with them being photographs or drawings from these historical time periods)**

**IMAGE ONE was on the Pre-test from 2015:**

**IMAGE TWO was from the 1970's:**

**IMAGE THREE: was from the 1880's:**

This is a panoramic photograph and difficult to see but I will put it on the smart board for all of you to see.

**IMAGE FOUR: Ayer Mills Clock from the 1860's:**

### **ASSIGNMENT:**

Please write a two to three page summary of what happened through the years to the Ayer Mills Clock. Please hypothesize what was happening throughout history based on the different physical appearances of the Ayer Mills clock. We will be sharing these in class and creating a poster of theories about what was going on with the building during each of these historical periods.

### **FOLLOW UP:**

Please read the following articles about the Ayer Mills Clock that appeared in the newspaper. We will have a follow activity on the connection between the condition of the building and what was happening in Lawrence during this historical time periods.
