The Protest of the Committee of the Privates of the Military Association," from the *Daniel Cunyngham Clymer Papers*.

How does this protest of appointment of generals mirror the protest of Britain's taxation acts?

What are the reasons why the Committee of Privates want a proper choice in the appointment of their Generals?

If you were a private, would you be comfortable with the appointment of the Generals?

- Would you, as well, protest against the appointment of these Generals? Why?
