Most are Rejected for Lack Of Iron, Due to Poor Diet

The Philadelphia Tribune articles are courtesy of the Philadelphia Tribune, America’s oldest historically Black newspaper and the Greater Philadelphia region’s largest newspaper serving the African-American community. The Philadelphia Tribune was founded in 1884 by Christopher James Perry, Sr. and has been the voice for African Americans locally and nationally for 130 years. The Philadelphia Tribune extensively covered the Philadelphia Welfare Rights Movement and other similar twentieth century social and political African American movements. The author is deeply grateful to the Philadelphia Tribune for its generosity in allowing the selected articles to be reprinted for this publication.
