

DIRECTIONS: You will have 6 minutes at each station. Along with your groupmates examine the primary sources at each station and answer the questions that follow along in this packet.

• **Picture analysis station**

- Look at the photos for 2 minutes, what overall impressions do you get from them?

- Use the table below to make notes about the pictures you see

Photo #	People	Objects	Activites	Things on the actual photograph
1				
2				
3				
4				
5				
6				
7				

- Based on these photographs, list 3 things that you can conclude

- 1.
- 2.
- 3.

- What questions do you still have?

- Where do you think you could find the answers to those questions?

- **Postcard analysis station**

- These are reprints of postcards that were made of the Riverview park.
- Look at them for a few minutes, what is your first impression of them?

- Pick 4 postcards, write why you think these pictures would have been chosen. What does it tell you about how people felt about Riverview?

- Postcard # _____

1. Why that picture? _____

2. How did people feel ? _____

- Postcard # _____

1. Why that picture? _____

2. How did people feel ? _____

- Postcard # _____

1. Why that picture? _____

2. How did people feel ? _____

- Postcard # _____

1. Why that picture? _____

2. How did people feel ? _____

- **Artifact analysis station**

- Take a look at the ticket books (Be VERY careful while handling them)
- What are your first impressions about the tickets?

- What is different about each of the booklets?

- Do you think they were from the same year? Why or why not?

- What can you tell about the time period in which these were printed from looking at them?

- What would you investigate further to learn more about them?

- Look at the star, what is it made out of?

- What do you think its purpose was? Why?

- What questions do you have about it?

- **Map analysis station**

- Take a minute or two to just look at all the details on this map. What are your first impressions while looking at it?

- Do you think this is an accurate depiction of Riverview Beach Park? Why or why not?

- When was this map made? _____

Why might the map's production date affect its "truth"?

- **Story analysis station**

- Read all the first-hand accounts of Riverview. What do you think about them? (First impressions)

- Why is it important that these kinds of stories are written down?

- Why might some of the stories be unreliable?
