

## **Student Worksheet: Currency Analysis**

What does your piece of currency say on it?

How old do you think this piece of currency is?

Evaluate how difficult it would have been to counterfeit this piece of currency.

Where you able to find it online? Were you able to find a collector's value for it today?

What type of currency do you think it is: A banknote (promissory note), representative money, or fiat money?

What would you rather have: This piece of currency or specie in gold? Why?
